

COOL-ECO 120 WIFI A+

The Cool-Eco 120 Wifi A+ is an energy-efficient mobile air conditioner with an A+ energy label. As a result, this air conditioner consumes less energy than other models. Moreover, the Cool-Eco 120 is very easy to use because it comes with a remote control and because it can be linked to the Eurom Smart App. This way you have total control over the air conditioning, wherever you are.

With its 12,000 BTU of power, the Cool-Eco can cool 120 rooms up to a maximum of 105 m³.
